# Create Permission Page

The screenshot shows a web browser window with the address bar displaying 'localhost:5173/createPermission'. The browser's bookmark bar includes links to 'YouTube Converter...', 'SINOPSIS dan RESE...', 'startgo123', 'Free powerpoint te...', 'soal prinsip geograf...', 'GEOGRAFI: Soal ge...', 'Free Charts and Dia...', 'Gmail', 'YouTube', 'Maps', 'Terjemahkan', and 'All Bookmarks'. The page has a green header with a right-pointing arrow icon and the text 'LET'S DO IT'. The main content area is dark gray and features a 'Create Permission' form. The form has a title 'Create Permission', a 'Name:' label with an input field, a 'Description:' label with an input field, and a 'Create' button.
